Re: Mohawk Sports Park Presentation

To whom it may concern,

Athletics Ontario is the Provincial Sport Governing Body for Athletics and supports the efforts of the Mohawk Sports Park Council towards the revitalization of the Mohawk Sports Complex and park-wide vision of creating a more inclusive and accessible public space.

Our interest in supporting this most recent initiative is a continuation of our involvement in support of the past achievements at the Ray Lewis Track & Field Centre and collaborating on a recent Government of Canada Tourism Growth Grant which helped cover a portion of the costs for the feasibility study.

If I can answer any questions for you, or provide further information, please do not hesitate to reach out.

Paul Osland
