Subject: Support more housing projects in Hamilton

Dear Mayor and Members of Hamilton City Council,

I'm Robert Craig, a Brick Mason living and working in Hamilton. Like many in the trades, I rely on steady construction jobs to pay the bills and take care of my family. When the city grows and builds, we work. When projects slow down, we struggle.

We need more housing projects to keep local tradespeople working. It's not just about jobs—it's about stability for our families and future opportunities for young workers learning the trades.

Please support more building in Hamilton so people like me can keep working close to home.

Sincerely,

Robert Craig
