RE: Support for More Building in Hamilton

Dear Mayor and Members of Hamilton City Council,

My name is David Dennis and our company installs polymer flooring and polished concrete in Hamilton and the surrounding areas.

KSL Industrial Supply has been installing floors since 2008, we have a growing workforce and rely on new housing projects for steady work. Many of employees live in Hamilton and rely on steady employment to support their families.

I'm asking you to support more development in Hamilton. Building more homes means more work for local trades. It helps us stay here, raise our families, and train the next generation. We just want a fair shot to keep working close to home.

Sincerely,
David Dennis
KSL Industrial Supply Inc.
