Subject: Support for the Elfrida Urban Boundary Expansion

External Email: Use caution with links and attachments

Dear Mayor and Members of Hamilton City Council,

My name is Elliot Hudecki, and I am with EJH Solutions, a Marketing & Sales Consulting company based in Hamilton. We have been working here for over 10 years and currently work with a large number of companies in the greater Hamilton area. Most of us live in this city.

We are writing to express our strong support for the Elfrida urban boundary expansion. For small companies like ours, new housing developments mean steady work & optimism for Hamilton's future. Without projects like Elfrida, it becomes harder to keep our team employed, motivated and our business open.

We want to continue building relationships in Hamilton, hiring locally, and contributing to our community. The Elfrida project would mean years of job stability for us and many other trades in the area.

We hope you will support the Elfrida boundary expansion so local businesses have work they can count on.

Thank you for your time and consideration.

Sincerely,

Elliot Hudecki
