

**LRT Influence Tracking Area** is per Ward. There are five (5) Influence Tracking Areas representing the five wards

**LRT Area** is all Influence Tracking Areas combined making one (1) LRT Area (14km x ~1.6km)

*The proposed boundary for the Hamilton LRT change tracking framework aligns with the subareas already identified and proposed by the City's Sustainable Communities from Planning in their Major Transit Station Areas (MTSA) Final Report, August 2023.*
