

RE: Support for the Elfrida Urban Boundary Expansion

Dear Mayor and Members of Hamilton City Council,

My name is Nelson Cabral, and I am the Branch Manager for Form and Build Supply Hamilton, construction and concrete accessory supplier based in Hamilton. We have been working here for 18 years and currently employ 11 people. Most of us live in this city.

We are writing to express our strong support for the Elfrida urban boundary expansion. For small companies like ours, new housing developments mean steady work. Without projects like Elfrida, it becomes harder to keep our team employed and our business open.

We want to continue building in Hamilton, hiring locally, and contributing to our community. The Elfrida project would mean years of job stability for us and many other trades in the area.

We hope you will support the Elfrida boundary expansion so local businesses have work they can count on.

Thank you for your time and consideration.

Sincerely,

Nelson Cabral

Branch Manager
