Subject: Urban Boundary vote - June 25

External Email: Use caution with links and attachments

Hi there,

My name is Jaime Anderson. I am a resident of Ward 11.

I am writing to voice my firm opposition to any urban boundary expansion in Hamilton. Why do Hamilton residents have to continue to fight to have our democratically-voted decision to maintain the current urban boundary upheld? It is disheartening.

On June 25th, I am urging you to vote NO or against the two land speculator attempts to expand Hamilton's urban boundary. We can not afford to lose any Greenbelt or farm lands.

Instead, please continue to support the construction of more affordable homes within our current urban boundary. Maintaining green spaces & farm land, while increasing the supply of affordable housing with easy access to public transportation benefits us all, both now and in the future.

Many thanks for your time and consideration!

Kind Regards,
Jaime Anderson
