Subject: Urban Boundary Expansion Decision, June 25, 2025

Dear Hamilton City Councillors,

I'm a resident of Ward 3. I understand there's an upcoming decision (maybe more than one?) on applications to expand the urban boundary and build new subdivisions. I'm writing to ask you to DENY these applications and PRESERVE the prime farmland, wetlands, and forests that would be destroyed.

Please protect our environment and contribute to climate change readiness! The builds in the urban core are heartening to see. I appreciate all of your time and effort in supporting what your constituents have already voted for: NO urban boundary expansion.

Cheers,
Melissa Smith.
