Dear City Staff and Councillors,

The people have spoken before and we hope you'll continue to help us defend our urban boundary and protect important wetlands and our rich farmlands.

On June 25th, it's my understanding that you will vote as to whether two land speculators can build on our farmlands. This area does NOT need more McMansions in the countryside. We need more affordable building within the city limits. We need to be innovators and protect our most precious resources, the land and the water and the farmland that we have - some of the best in the world!!!

Thank you for holding the line!

Paula G.
