Subject: Maintain Hamilton's urban boundary at June 25 Council Meeting

Dear Staff and Councilors of Hamilton

I'm a resident of Ward 1 and on **Wednesday, June 25, please do not vote** in favour of two land speculator attempts to expand Hamilton's urban boundary and build McMansion subdivisions on over 3800 acres of prime farmland, wetlands and forests in Hamilton.

It's a fight that citizens won decisively four years ago when Council voted to maintain our firm urban boundary, but the provincial government keeps changing the rule book for its speculator friends, this time through [Bill 185, Cutting Red Tape to Build More Homes Act, 2024](#) which opens the door for private urban boundary expansion applications, anytime, anywhere.

We need our farmland for food production and to enhance our food security. We need our wetlands and forests for so many reasons including the crucial ecosystem services they provide such as flood mitigation and water and air filtrations.

Sincerely,

Robin Cameron
