Subject: No to greenbelt expansion!!

Dear councillors,

We live in Ward 1 and are writing to express our urgent hope that you will vote NO on June 25 to the urban expansion development proposals that violate the greenbelt guardrails designed to protect the precious wetlands, forests and farmlands in our immediate area—some of the most beautiful and most threatened environmentally sensitive and diverse eco-scapes in southern Ontario (and all of Canada). Please hold the line AGAINST the Ford government's desire to strip the greenbelt protections that will reward the short-term profiteering of greedy developers and further erode the precious heritage and long-term sustainability of this region.

Environmentally yours,
Travis Kroeker and Grace Kehler
