Clerk: please add my letter to the June 25 agenda concerning urban expansion.

Councillors,

Hamiltonians haven't forgotten the fight for farmland, the need to build more dense housing in the city and the folly of sprawl.

Please vote against these two applications that would only benefit sprawl godfathers. Let's get cracking and legalize more density in all neighbourhoods across the city and send these guys packing.

There's not a moment to lose! Climate Change is NOW and we need our farmland and wetlands intact.

Thank you,
David
