Subject: maintain firm urban boundary

External Email: Use caution with links and attachments

Hello Mayor and Councillors,

I am opposed to the proposals to force Hamilton's urban boundary to expand, putting 3,800 acres of farmland, wetlands and forests at risk. I support the firm urban boundary that our community consistently asks for and urge you to maintain it.

I continue to be worried about the impacts this proposed development has on prime farmland. The proposed developments are also counter to the vision and goals of the Biodiversity Action Plan that Council approved in June 2024. Once again I urge you to consider these factors in your decision and say no to the proposals, protecting biodiversity by keeping a firm urban boundary.

Sincerely,
Jen Baker
