Subject: Please Vote To Maintain Firm Urban Boundary

Good morning, City of Hamilton councillors,

I and my community urge you to protect our firm urban boundary. Please do not bend to the pressure of developers who want the east profits of building new, jumbo-sized single homes on our farm land and wetlands.

Our need is within the city where the poor are unkoused. Proximity to work and community resources is vital for the working poor and the rest of us .

Please deny the land speculators who seek to expand our city limits. It's simply unnecessary and harmful to enduring life.

Thank you for your support and protection in the past. May you continue strong.
