Subject: Lets all work together and vote against urban expansion

Councilors,

The citizens voted overwhelmingly against urban expansion almost 2 year ago and you all approved.

We have prime agricultural land here that can NEVER be replaced. Food security is paramount, especially with our neighborhood to the south of the border becoming less reliable.

Equally important is the massive debt of infrastructure we already have in our existing boundaries that need desperate attention.

thank you for voting against urban expansion June 25th

Scott
