Dear Maureen Wilson, Councillors, Mayor and Clerk,
We can't believe we have to fight against forced urban boundary expansion again!
We are asking you to vote against the proposed sprawl.
Our farmlands and wetlands are vital to our well being and health especially now as we face forest fires, flooding and heat domes.

Also we should be focusing on affordable housing in our city.

Ford needs to be reminded that democracy means listening to citizens!

Thank you,
Chris and Theresa Cardey
