

**RE: Support for More Building in Hamilton**

Dear Mayor and Members of Hamilton City Council,

My name is Laszlo Kormos, and I work as a exterior stucco installer in Hamilton. I've been in the trades for a while, and I know how important it is to have steady work. When there are new housing projects, people like me can count on a job. When there's no new construction projects, it's hard to stay working and support our families.

I'm asking you to support more development in Hamilton. Building more homes means more work for local trades. It helps us stay here, raise our families, and train the next generation. We just want a fair shot to keep working close to home.

Sincerely,

Laszlo Kormos  
Employee of Great White Wall Systems Ltd.
