Subject: June 25th Meeting - Urban Boundary

Hi,

I'm a resident of Ward 7. **I'm sending this email as a firm reminder that I want you to honour the voice of the voters and maintain our firm urban boundary.**

We already voted for a firm urban boundary and to stop sprawl, and we haven't changed our minds. This voter will not be changing his mind on this topic, ever.

Please know that a vote to override the will of the majority and reward land speculating developers does not make us a better city or community. It would strengthen my resolve to vote for new representation in the next election.

Vote NO to urban boundary expansion.....

thank you,

Glenn Cunningham
