Subject: Jan. 13/26 Planning Committee Meeting -affordable housing in Ward 4

I am Ward 1 resident, writing in support of the City-initiated re-zoning application to convert a surplus City-owned parking lot in Ward 4 into mixed-use affordable housing. I understand that the application would permit the development of a multiple dwelling and multiple dwelling townhouses, having a maximum height of four storeys, and a maximum of 50 dwelling units, through the sale or lease of the property to a non-profit housing provider for the development of affordable housing. I believe that this initiative supports the City's efforts to address the crucial issue of affordable housing in Hamilton.
