**Subject:** Removing Ice at SCA

This is a bad idea. One that would make a large league at Rosedale almost unsustainable and take away time from other groups of kids.

I coach at Rosedale. With teams of 16 + gaining 3 first shift kids in practice in u9 and then having another 16 in u9. Where would I put these extra kids. Where would we find the ice time for more teams. Who is going to lose out. The Stoney Creek Community wants to keep its arena. Just got new tenants and has a ton of potential. Instead, we are going to uproot this. Let's be smart here and invest in this rink rather than restrict a community further than anyone wishes.

Thank you for your considerations
