Subject: 2026 Hamilton Budget Feed back

Morning, I want to show my non support for the 19 million increase in police budget. More money to police doesn't mean safer city. Why cant we for once just give police a budget increase that matches their wage increases. I think the Police Department needs to show residents what they are cutting or they are improving on for once. At this rate my housing taxes will double in 10 years to \$14000 from \$7000. As a retired person this isn't sustainable for the elderly.

Appreciate your time. Thanks

Rob Diemer
