Subject: Stoney Creek Arena

I am emailing with my concern on closing the Stoney creek arena. Why are you closing it? Sooooo many people in the city and teams rely on the arena. Open skates, pic and stick, team practices, games. This would be an absolute shame to close and then flood other local arenas with more city times when they are full with their own programming. The city needs to step up and repair the arena or do what it takes to keep it open. Youth sports is very important and this would be taking opportunities away from them by shifting programming to other arenas where they would lose ice time for programming.
