Subject: Opposing Cuts to Environment & Climate Action in the 2026 Budget

External Email: Use caution with links and attachments.

Dear City Clerk and Mayor,

I am a Hamilton resident, and I am writing to ask that this message be shared with all members of City Council.

I strongly oppose any cuts to environment and climate action initiatives in the 2026 City budget. As climate impacts are already being felt in our community, reducing funding in these areas is unacceptable and short-sighted.

Council must protect and prioritize environmental and climate action programs, not weaken them. I urge Council to reject any proposed cuts.

Thank you, and please ensure all Councillors are made aware of this position.

Sincerely,

Tracie Daigle
