Subject: No cuts to climate action

External Email: Use caution with links and attachments.

Good morning,

I am writing to inform you that I fully support climate action, protecting Hamilton's environment, expanding cycling and transit, and increasing tree cover and biodiversity.

These programs are tiny expenditures and instead of cutting them the city should be expanding them to make every part of Hamilton a better place to live.

Please don't make cuts to these important initiatives in the budget.

Thank you,

Hilary Lyttle
