Dear Mayor, Councillors and City Clerk:

I am a lifelong city resident--now living in Ward 2-- and I oppose the proposed cuts you are considering to any of our city's programs which aim to save the environment.

Stop submitting motions to cut fungus and staffing fun predictable defined to promote and protect biodiversity, tree canopy, and home retroflts, for example.

Expand them-- don't cut them!

Thank you for your consideration.

Regards,

Brenda Ginn
