Subject: FREE LUNCH

External Email: Use caution with links and attachments.

I am writing this email regarding the free lunch for senior city employees. It infuriates me that my tax dollars are supporting such a program! So many of us struggling to buy groceries for ourselves and you are getting free lunches. Not to mention, your income is over 100,000 dollars a year. [REDACTED]

[REDACTED] To say "Let's table this until next meeting to give them time to make arrangements. ARE YOU KIDDING ME. Pack your own lunch like I did for 35 years! You should be ashamed of yourselves. I applaud Brad Clark and whoever the others were that opted out of this. Totally unacceptable!!
