Subject: The 'Dish with One Spoon' Treaty ask you to take care of the environment

External Email: Use caution with links and attachments.

Dear Mayor, Dear Councillors,

The Hamilton land acknowledgment there is recognition that the city is subjected to the 'Dish with One Spoon' Treaty. If that acknowledgement and the responsibility that comes with it is taken seriously, and I hope you are taking it seriously, you cannot make cuts to items that further deteriorate or prevent the healing of the environment.

The Treaty demands of all of us and our institutions that we only take what we need, that we leave enough for all others —humans and other-than-humans— up to seven future generations, and that we ensure that the dish is kept clean and free from pollutants.

As stewards of the City of Hamilton and surrounding areas that is your duty. Please, consider fully this duty before making any cut to climate mitigation or environmental protection measures.

I sincerely thank you,

Bruna Nota
