Hello,

I am a writing as a Hamilton resident about potential cuts to the follow programs:

1. Cycling Master Plan (98km of bike lanes by 2028)
2. Climate Change Reserve (\$2.5M/year climate fund)
3. Office of Climate Change Initiatives
4. Main Street Road Safety Upgrades
5. Tree Planting, House Retrofits and EV Library Vehicle

These are all areas that I sincerely would like you to reconsider cutting as they are areas that are very important to my community, my family & I.

Kind Regards,

Christyna Huff
