Elected representatives,

I'm a Ward 8 resident and am appealing to you all.

We need more bike lanes built faster so people have a safe way to commute outside of a car.

We need the Climate Office to be fully funded and frankly, expanded.

We need many more environmental protections and faster climate action.

Please no funny business of last minute motions dropping after the time for residents to get a letter on this agenda has passed. That would truly contravene Hamilton's transparency pledge.

Richard Carter
