Subject: Proposed 8-storey building in Ancaster

External Email: Use caution with links and attachments.

Hi there,

I'm emailing **in support** of the proposed 8-storey in Ancaster. I'm an Ancaster resident and I believe in building less single-family homes and to increase the density of homes in Ancaster to stop urban sprawl, and make more affordable homes.

Please confirm receipt of this message in support of the proposal.

Thank you,

Sadaf Ali
