To whom it may concern,

It has come to our attention that a tall building has been proposed in Ancaster. We would like to join the motion to deny such a monstrosity. It will diminish the old town feel of Ancaster and will not match the beautiful architecture our town has. It will also negatively affect the traffic and the cost of existing houses.

Could you please provide receipt of this email.

Please let us know if anything can be done from our end to block this project.
