**Subject:** Proposed 8-Storey Building On Wilson St. , Ancaster

**External Email:** Use caution with links and attachments.

Dear Jennifer, as a longtime Ancaster resident and a longtime realtor, I am strongly against the building of an 8-storey structure on the proposed site on Wilson St. Esthetically, it will cast a huge shadow on the area, it will put a huge strain on the existing infrastructure and most certainly, the heritage building that has to be moved will not survive the process. I have been in Ancaster since I was a teen in the 70's and much has changed and not for the better. Ancaster used to have a village feel to it and an 8-storey will not fit into dynamic. Please put an end to this plan.

Sincerely,

Dave Howitt
