

Appendix B - Listing of Standardized Original Equipment Manufacturers and Authorized Distributors for Hamilton Water				
Original Equipment Manufacturer (OEM)	Description of Goods and/or Service Supplied	Sole Distributor	Rationale for Listing	Estimated Annual Expenditure
Aqua-Aerobic Systems Inc.	Original Equipment Manufacturer of the Aqua MegaDisk Cloth Media Filter equipment and components for tertiary treatment processes.	ACG - Envirocan	To identify sole OEM/Distributor relationship	\$ 200,000
JWC Environmental	Original Equipment Manufacturer for Muffin Monster®, Channel Monster®, Auger Monster®, Screenings Washer Monster®, Honey Monster® and Monster Screening Systems® and associated parts			
Stamford Scientific International, Inc. (SSI Aeration)	Original Equipment Manufacturer for aeration diffusers and associated equipment			
Greyline	Original Equipment Manufacturer of level and flow monitoring equipment.	ACI Instrumentation Ltd.	To identify sole OEM/Distributor relationship	\$ 15,000
Hydroflow	Original Equipment Manufacturer for electronic water conditioners and associated parts.			
Pulsar	Original Equipment Manufacturer of level monitoring equipment.			
Krohne	Original Equipment Manufacturer for flow meters.			
Delta Controls Inc.	Original Equipment Manufacturer of building automation systems	Ainsworth Inc.	To identify sole OEM/Distributor relationship	\$ 30,000
Smith & Loveless Inc.	Original Equipment Manufacturer for pumps, grit classification systems and associated parts.	Aqua Technical Sales Inc.	To identify sole OEM/Distributor relationship	\$ 100,000
ATI	Original Equipment Manufacturer for gas analytical equipment.	Avensys Solutions Inc.	To identify sole OEM/Distributor relationship	\$ 20,000
Fluid Components International LLC	Original Equipment Manufacturer of thermal mass flow meters, flow switches and level switches.			
Teledyne (ISCO)	Original Equipment Manufacturer of auto samplers.			
Inpro Seal products	Original Equipment Manufacturer of permanent bearing protection and complete shaft sealing solutions for rotating equipment.	AW Chesterton Co Ltd	To identify sole OEM/Distributor relationship	\$ 20,000
Brentwood Industries	Original Equipment Manufacturer for clarifier tank equipment and associated parts.	C & M Environmental Technologies Inc.	To identify sole OEM/Distributor relationship	\$ 50,000
Spirac	Original Equipment Manufacturer for grit handling augers and associated parts.			
Aysix Analytical Equipment	Original Equipment Manufacturer for process monitoring equipment.	Cancoppas Limited	To identify sole OEM/Distributor relationship	\$ 35,000
GWF Technologies (Hydrovision)	Original Equipment Manufacturer for flow monitoring equipment.			

Appendix B - Listing of Standardized Original Equipment Manufacturers and Authorized Distributors for Hamilton Water				
Original Equipment Manufacturer (OEM)	Description of Goods and/or Service Supplied	Sole Distributor	Rationale for Listing	Estimated Annual Expenditure
Kuntze Equipment	Original Equipment Manufacturer of Chemical analyzers and associated equipment.	Clear-Tech Industries Inc,	To identify sole OEM/Distributor relationship	No spend forecast, maintenance or breakdown only.
Golden Anderson (GA Industries) (VAG USA LLC)	Original Equipment Manufacturer for valves and associated parts.	Conval Process Solutions Inc.	To identify sole OEM/Distributor relationship	\$ 10,000
Bray Control Products	Original Equipment Manufacturer of Bray isolation valves.	Devine & Associates Ltd.	To identify sole OEM/Distributor relationship	\$ 60,000
Cla-Val	Original Equipment Manufacturer for specialty valves and flow monitoring.			
Prtatt Valves	Original Equipment Manufacturer for plug and other valves.			
Rotork Controls (Canada) Ltd.	Original Equipment Manufacturer for actuators.			
Armstrong Fluid Technology	Original Equipment Manufacturer for pumps, hot water recirculation systems and associated parts.	Directrik Inc.	To identify sole OEM/Distributor relationship	\$ 70,000
Byron Jackson	Original Equipment Manufacturer of industrial pumps and systems.			
Durco	Original Equipment Manufacturer of plug and butterfly valves.			
Flowserve	Original Equipment Manufacturer for valves and pumps.			
Hidrostal	Original Equipment Manufacturer of high-quality, low-maintenance pumps			
Ingersoll-Rand	Original Equipment Manufacturer of Pumps.			
Innomag	Original Equipment Manufacturer of sealless, non-metallic, magnetically driven pumps.			
Pacific	Original Equipment Manufacturer of pumps			
Seepex	Original Equipment Manufacturer for pumps and associated parts.			
Sihi	Original Equipment Manufacturer of liquid and vacuum pumps, compressors and systems			

Appendix B - Listing of Standardized Original Equipment Manufacturers and Authorized Distributors for Hamilton Water				
Original Equipment Manufacturer (OEM)	Description of Goods and/or Service Supplied	Sole Distributor	Rationale for Listing	Estimated Annual Expenditure
Vogelsang	Original Equipment Manufacturer of HiFlo Pumps and Rota-Cut inline Macerators.	Directrik Inc. Cont'd.	To identify sole OEM/Distributor relationship	
WEMCO	Original Equipment Manufacturer of centrifugal screw and vortex pumps			
Worthington	Original Equipment Manufacturer of Pumps			
WSP	Original Equipment Manufacturer of self-priming pumps			
Pentair	Original Equipment Manufacturer for Pentair (Aurora, Aurora Fire, Fairbanks, Nijhuis, Layne-Vertiline, VTSH (vertical turbine solid handling) products and associated parts).	DXP - NatPro	To identify sole OEM/Distributor relationship	No spend forecast, maintenance or breakdown only.
APCO	Original Equipment Manufacturer of specialty valves.	Floval Equipment Ltd.	To identify sole OEM/Distributor relationship	\$ 10,000
BNW Valve	Original Equipment Manufacturer of zero leakage stainless steel sluice gates, mud valves, flap valves, telescopic valves and stop gates.			
Dezurik	Original Equipment Manufacturer of valves.			
HILTON	Original Equipment Manufacturer of shutoff and control valves			
HydraTech Engineered Products	Original Equipment Manufacturer of HydraTite Seal.			
Willamette	Original Equipment Manufacturer of valves.			
Siemens Canada Limited	Sole authorized service provider of Siemens Canada Limited process control instrumentation equipment.	Franklin Empire	To identify sole OEM/Distributor relationship	No spend forecast, maintenance or breakdown only.
Rockwell Automation (Allen-Bradley)	Original Equipment Manufacturer for soft starters, variable frequency drives, Reduced Voltage Starters, MCC components and SCADA components.	Gerrie Electric Wholesale Limited	To identify sole OEM/Distributor relationship	\$ 140,000
UGSI Chemical Feed, Inc	Original Equipment Manufacturer for PolyBlend® product line of equipment, including but not limited to pumps, mixers, drives, controllers, ORP, Stranrol Analyzers and Chemical Feed/mixing systems.	H2Flow Equipment, Inc.	To identify sole OEM/Distributor relationship	\$ 100,000
Environmental Dynamics International / Nexom	Original Equipment Manufacturer for aeration diffusers and associated parts.			
Sharpe Mixers	Original Equipment Manufacturer for top entry liquid mixing systems and associated equipment	Hayward Gordon ULC	To identify sole OEM/Distributor relationship	No spend forecast, maintenance or breakdown only.

Appendix B - Listing of Standardized Original Equipment Manufacturers and Authorized Distributors for Hamilton Water				
Original Equipment Manufacturer (OEM)	Description of Goods and/or Service Supplied	Sole Distributor	Rationale for Listing	Estimated Annual Expenditure
Haakon Industries	Original Equipment Manufacturer for air handling units and associated equipment	HTS Engineering Ltd.	To identify sole OEM/Distributor relationship	\$ 50,000
Chopper	Original Equipment Manufacturer of Pumps	John Brooks Company Limited	To identify sole OEM/Distributor relationship	\$ 40,000
Gorman Rupp	Original Equipment Manufacturer for pumps and associated parts.			
Goulds Water Technology	Original Equipment Manufacturer of pumps, boosters, drives, valves and controllers.			
Gratec	Original Equipment Manufacturer for mixers and associated parts.			
Grundfos	Original Equipment Manufacturer for submersible pumps and related parts, and chemical dosing equipment.			
Rotamix	Original Equipment Manufacturer of Pumps.			
Triton	Original Equipment Manufacturer of pumps			
Vaughan Co. Inc.	Original Equipment Manufacturer for pumps and associated parts.	Pro Aqua Inc	To identify sole OEM/Distributor relationship	\$ 300,000
Evoqua Water Technologies Ltd. and Evoqua Water Technologies LLC.	Original Equipment Manufacturer for intake screens, clarification systems, separation systems, disinfection, water quality and regulatory monitoring equipment including associated parts. Includes Wallace & Tiernan equipment and parts.			
Schwing Bioset Inc	Original Equipment Manufacturer for biosolids equipment and associated parts.			
Lone Star Blower Inc.	Original Equipment Manufacturer for aeration blowers and associated parts, Controls systems and software.	Pro-Tech Power	To identify sole OEM/Distributor relationship	No spend forecast, maintenance or breakdown only.
Schweitzer Engineering Laboratories	Original Equipment Manufacturer for protective relay and communications equipment associated with the power distribution system. Distributer - Pro-Tech listed above			
Powell Fabrication & Manufacturing Inc.	Manufacturer of pneumatic valve closure systems of the chlorine rail cars.	SCG Process	To identify sole OEM/Distributor relationship	\$ 80,000
Prominent	Original Equipment Manufacturer for regulatory water quality monitoring and disinfection equipment.			
Watson Marlow Fluid Technology	Original Equipment Manufacturer of peristaltic pumps.			
Asco	Original Equipment Manufacturer for regulatory flow, control and pressure control equipment and Transfer Switches.	Schneider Electric Canada Inc.	To identify sole OEM/Distributor relationship	\$ 50,000

Appendix B - Listing of Standardized Original Equipment Manufacturers and Authorized Distributors for Hamilton Water				
Original Equipment Manufacturer (OEM)	Description of Goods and/or Service Supplied	Sole Distributor	Rationale for Listing	Estimated Annual Expenditure
Blue-White	Original Equipment Manufacturer for chemical metering and dosing equipment.	SPD Sales Limited	To identify sole OEM/Distributor relationship	\$ 150,000
Chemtrac	Original Equipment Manufacturer of process monitoring and control instruments.			
Kurz Instruments	Original Equipment Manufacturer of flow monitoring equipment.			
MSA	Original Equipment Manufacturer for gas monitoring equipment, self contained breathing apparatus, confined space entry equipment, and associated replacement parts.			
Nivus	Original Equipment Manufacturer for flow and level control equipment.			
Royce Technologies	Original Equipment Manufacturer of monitoring and control instrumentation and sensors.			
YSI	Original Equipment Manufacturer for regulatory analyzers, monitoring and control devices.			
PMC Engineering	Original Equipment Manufacturer for level, pressure and process monitoring and control equipment.	SRP Control Systems Ltd.	To identify sole OEM/Distributor relationship	\$ 5,000
Banyan	Original Equipment Manufacturer of flight chain, flight board links, sprockets, spacers, wear strips, wear shoes and flight boards.	Syntec Process Equipment Ltd.	To identify sole OEM/Distributor relationship	\$ 200,000
Fontaine-Aquanox	Original Equipment Manufacturer of water control gates.			
J&S Valve Inc.	Original Equipment Manufacturer of Gate Valves.			
Limitorque Products	Original Equipment Manufacturer of Valve Actuators.			
Netsch	Original Equipment Manufacturer for pumps and associated parts.			
Red Valve	Original Equipment Manufacturer for valves and associated parts.			
Singer Valve	Original Equipment Manufacturer for valves and associated parts.			
Tideflex	Original Equipment Manufacturer of valves.			
Trueline Valve Corporation	Original Equipment Manufacturer of industrial valves.			
Trumbull Mfg.	Original Equipment Manufacturer of Mud valves, extension stems, universal joints, chainwheels, telescopic valves and relief valves			
Val-Matic	Original Equipment Manufacturer for valves and associated parts.			

Appendix B - Listing of Standardized Original Equipment Manufacturers and Authorized Distributors for Hamilton Water				
Original Equipment Manufacturer (OEM)	Description of Goods and/or Service Supplied	Sole Distributor	Rationale for Listing	Estimated Annual Expenditure
SPX Flow	Original Equipment Manufacturer for mixer process systems and associated parts.	T.D. Rooke Associates Limited	To identify sole OEM/Distributor relationship	No spend forecast, maintenance or breakdown only.
Varec	Original Equipment Manufacturer for tank level gauges.	Trillium Measurement and Control	To identify sole OEM/Distributor relationship	No spend forecast, maintenance or breakdown only.
Environmental Resource Associates, Inc. (ERA)	Original Equipment manufacturer and provider of specialized QC Reference standards utilized by the Environmental Laboratory to maintain ISO 17025 Accreditation. These standards are purchased through VWR who is the only Canadian distributor for ERA QC reference Standards.	VWR (A Part of Avantor) / VWR International Co./Avantor Delivered by VWR	To identify sole OEM/Distributor relationship	\$ 30,000
Moyno Inc	Original Equipment Manufacturer for pumps, grinders and associated parts.	Wajax Limited	To identify sole OEM/Distributor relationship	\$ 100,000
Flygt	Original Equipment Manufacturer for pumps and associated parts.	Xylem Canada LP	To identify sole OEM/Distributor relationship	\$ 400,000
3M Canada Company	Original Equipment Manufacturer for DBI-Sala Davit Guard Systems and associated parts including but not limited to davit posts, tripods, self-retracting lifelines (with rescue function) and davit bases (permanently installed and portable). Original Equipment Manufacturer and sole source of NSF 53, BLA100 Series Filters for the Carlisle Well water treatment facility.	No sole distributor relationship exists	To list product, establish specification and quality	No spend forecast, maintenance or breakdown only.
Additel	Original Equipment Manufacturer for process measurement and calibration monitoring equipment.	No sole distributor relationship exists	To list product, establish specification and quality	No spend forecast, maintenance or breakdown only.
Advantech	Original Equipment Manufacturer for Advantech equipment	No sole distributor relationship exists	To list product, establish specification and quality	No spend forecast, maintenance or breakdown only.
Chemline	Original Equipment Manufacturer for pressure control devices, valves, control and regulation devices, piping, tubing and flow meters.	No sole distributor relationship exists	To list product, establish specification and quality	No spend forecast, maintenance or breakdown only.
Crane Pumps And Systems Canada	Original Equipment Manufacturer pumps and associated parts.	No sole distributor relationship exists	To list product, establish specification and quality	No spend forecast, maintenance or breakdown only.

Appendix B - Listing of Standardized Original Equipment Manufacturers and Authorized Distributors for Hamilton Water				
Original Equipment Manufacturer (OEM)	Description of Goods and/or Service Supplied	Sole Distributor	Rationale for Listing	Estimated Annual Expenditure
Danfoss / Vacon	Original Equipment Manufacturer for Vacon soft starters and variable frequency drives.	No sole distributor relationship exists	To list product, establish specification and quality	No spend forecast, maintenance or breakdown only.
Fag Bearings	Original Equipment Manufacturer for bearings.	No sole distributor relationship exists	To list product, establish specification and quality	No spend forecast, maintenance or breakdown only.
Flow Motion	Original Equipment Manufacturer for chemical metering equipment.	No sole distributor relationship exists	To list product, establish specification and quality	No spend forecast, maintenance or breakdown only.
Hilti	Original Equipment Manufacturer of mechanical and chemical fasteners associated with davit base installations.	No sole distributor relationship exists	To list product, establish specification and quality	No spend forecast, maintenance or breakdown only.
Howden Roots LLC	Original Equipment Manufacturer of rotary positive replacement blowers	No sole distributor relationship exists	To list product, establish specification and quality	No spend forecast, maintenance or breakdown only.
Hydromatic Pumps	Original Equipment Manufacturer for pumps and associated parts.	No sole distributor relationship exists	To list product, establish specification and quality	No spend forecast, maintenance or breakdown only.
Link Belt	Original Equipment Manufacturer for bearings, seals and associated parts.	No sole distributor relationship exists	To list product, establish specification and quality	No spend forecast, maintenance or breakdown only.
Mccrometer	Original Equipment Manufacturer for regulatory flow monitoring devices.	No sole distributor relationship exists	To list product, establish specification and quality	No spend forecast, maintenance or breakdown only.
Micro Pump	Original Equipment Manufacturer of pumps for regulatory water quality sampling systems and chemical metering equipment.	No sole distributor relationship exists	To list product, establish specification and quality	No spend forecast, maintenance or breakdown only.
Myers Pumps	Original Equipment Manufacturer for pumps and associated parts.	No sole distributor relationship exists	To list product, establish specification and quality	No spend forecast, maintenance or breakdown only.
Philadelphia Mixing Solutions	Original Equipment Manufacturer for mixers and associated parts.	No sole distributor relationship exists	To list product, establish specification and quality	No spend forecast, maintenance or breakdown only.

Appendix B - Listing of Standardized Original Equipment Manufacturers and Authorized Distributors for Hamilton Water				
Original Equipment Manufacturer (OEM)	Description of Goods and/or Service Supplied	Sole Distributor	Rationale for Listing	Estimated Annual Expenditure
Ro-Flo Compressors LLC	Original Equipment Manufacturer for compressors and associated parts.	No sole distributor relationship exists	To list product, establish specification and quality	No spend forecast, maintenance or breakdown only.
SEW-Eurodrive	Original Equipment Manufacturer for gearmotor drive assemblies and associated equipment	No sole distributor relationship exists	To list product, establish specification and quality	No spend forecast, maintenance or breakdown only.
SKF Bearings	Original Equipment Manufacturer for bearings.	No sole distributor relationship exists	To list product, establish specification and quality	No spend forecast, maintenance or breakdown only.
United Electric Controls	Original Equipment Manufacturer for pressure control and monitoring devices.	No sole distributor relationship exists	To list product, establish specification and quality	No spend forecast, maintenance or breakdown only.
Total Appendix B (included in the Total Value of Appendix A)				\$ 2,265,000
