Reason(s) for delegation request

I am submitting this form to formally request a delegation at the next City Council meeting for PUBLIC WORKS committee on monday April 13th regarding the proposed HSR bus stop at Maple and Edgemont.

This location poses a significant safety risk to children and residents and proves inconsistent with the City of Hamilton's Strategic Plan 2022–2026 and the Vision Zero Action Plan 2026–2031. Plans to move forward with HSR stops are imminent as such there is a need to delegate at the next meeting.

Thank you for your assistance.

Will you be requesting funds from the City?

No

Will you be submitting a formal presentation?
