Subject: Objection to Proposed 8-Storey Development – Wilson Street East & Academy

Dear City Planning Team,

I am writing as a resident of Ancaster to formally express my objection to the proposed 8-storey development at 392, 398, 400, 406, and 412 Wilson Street East and Academy.

I have concerns about the scale and height of this proposal within the Village core, and the potential impact it may have on the character of the area, local businesses, and the broader community.

I respectfully ask that my objection be recorded as part of the review process. Please confirm receipt of this email.

Thank you for your time and consideration.

Sincerely,

Katia Harvie
