Reason(s) for delegation request

I would like to delegate to discuss the ongoing negligence regarding 461 King Street E. I need to address several critical issues:

1. The financial losses resulted from unlawful cease-occupancy orders.
2. The city's unlawful request to inspect my facade resulted in over \$200,000 in structural damage costs. I will explain.
3. The current safety hazards created by the new structure currently obstructing my storefront and preventing me from renting the commercial space causing further financial hardship.

These situations have caused irreparable financial harm.

Will you be requesting funds from the City?
