Chair, and Members of the Planning Committee
City of Hamilton

Dear Councilor Pasuta,

The Hamilton-Wentworth District School Board is requesting that it appear as a delegation to the next Planning Committee of the City of Hamilton to discuss Parkland Dedication fees. Specifically it would want to reference a motion sent to the City of Hamilton in March 2005 from the Hamilton -Wentworth District School Board requesting changes be made to the charging of Parkland Dedication fees to the Hamilton-Wentworth District School Board.

I would wish to appear before the committee, and correspondence and inquiries can be addressed to Heather Miller. Trustee Liaison Officer, Hamilton-Wentworth District School Board , tel: 905 527 5092 # 2279 email: heather.miller@hwdsb.on.ca

Regards
