To: Mayor and Members
General Issues Committee

From: Carolyn Biggs, Co-ordinator
Committee Services/Council/Budgets

Subject: **U.S. Steel – Sewer Use by-law 04-150
- Parameters and Compliance Agreement**

Mayor and Members of Committee,

You will recall that at the September 12, 2011 meeting of the General Issues Committee, Trevor Harris from U.S. Steel attended to respond to issues requested by the Committee in a letter to U.S. Steel dated August 16, 2011.

The Committee received Mr. Harris' presentation and deferred discussion to the Private and Confidential portion of the meeting in order to receive legal advice.

Upon the Committee reconvening in Open Session, the following action was reported to Council in General Issues Committee Report 11-027:

“That the issue of the U.S. Steel Compliance Agreement be tabled to the October 11, 2011 meeting of the General Issues Committee for further discussion.”

As a result, this matter is back before the Committee.
