

Motorcycle Parking in Hamilton

Planning Committee

9:30 a.m. Tuesday, January 17, 2012

Hamilton City Hall

Council Chambers, 2nd Floor

71 Main Street West, Hamilton

1 Pay and Display & Regular Parking systems

No fee for parking at pay and display city lots or streets for motorcycles

With the new Pay and Display motorcycles have no secure place to display the paid for Ticket. Since it is in the open it can be taken or wind may blow it away. Motorcycle may be given a parking violation ticket when a ticket was purchased.

Paid street meters should allow up to three motorcycles to park in a space this make more parking available for cars.

2 Encouraging Greener Transportation

For people traveling alone a motorcycle is much better on gas and the environment

The no fee parking would be fair to Motorcycles.

Would be happy to let the Motorcycle community know of the change and the fairness of city hall.
