Mailing Address: * Still working on a PO box, please do not reveal my home address as I have received death threats because of my stance on this issue. I will have the PO Box at the time of the meeting. [REDACTED] Ajax, Ontario L1S 7S5

Reason(s) for delegation request: * Many that are not in the GTA feel that the billing issues that are so controversial with respects to the 407 ETR are a localized problem to the GTA, but we have come to believe this to be a Provincial wide issue as it effects funding for projects in other Municipalities not tied to the GTA and we have members in our group "Stop the 407 ETR's Abuse of Power" that live far away from the city life's hustle and bustle, that have not even been to this "neck of the woods" and have had these billing nightmares thrust upon them and have not been able to license their vehicle legally as the Plate Denial process affects everyone in the Province of Ontario, including Municipal constituents. As noted in our public notice here <http://407etr-abuseofpower.com/meeting-at-407-etr-offices-thursday-january-12th-2012/> , there is suasion and legislation we feel the Province has a responsibility to pursue. I would appreciate any and every voice big or small in assisting us with these ongoing issues. In my deputation I will be requesting councillor's to make a formal message to the Provinc and the 407 ETR to address the billing issues noted.
