Dear Ms. Robicheau:

**Re: Proposed Official Plan Amendment to Delete Hotel Uses from M3 and M4 Zones  
Flamborough Power Centre, Highway 6 & Dundas Street, Flamborough**

Please register me as a delegation to speak to the above matter with respect to the above property at the Planning Committee meeting of April 17, 2012.

I will be speaking in opposition to the staff recommendation as initially proposed, and will be asking that the provisions of the By-law which intend to delete hotel uses, not apply to this property.

Thank you very much.

Sincerely,

**FOTHERGILL PLANNING & DEVELOPMENT INC.**
