Financial Information Regarding Roster Use

This report summarizes the use of the Professional and Consultant Services Roster for the first half of the roster period 2011-2012, as required under Policy 9 of the currently approved Procurement Policy. The roster process for acquisition of services is currently used by 13 divisions within Community Services, Planning and Economic Development, Corporate Services and Public Works. A listing of Successful Consultants by roster category is attached to this report as Appendices "A" and "B".

In 2011, 39 roster categories issued assignments and the dollar values associated to those assignments are as follows:

Total Dollar Value:	\$14,972,388
Total Number of Assignments:	442
Average Value of Each Assignment:	\$ 33,874
Number of Different Firms:	86

The preparation for the new roster RFP for the period 2013-2014 is currently underway. It is expected the new RFP will be advertised in September 2012. The remainder of the 2011-2012 roster usage will be reported in early 2013.
