**Subject:** 24 Brock Street North. Dundas Development

Mr. Powers,

I wish to express my opposition to the proposed development of 24 Brock St., North, Dundas.

I have concerns with

- the size of the development

and

- the storm water runoff

The water runoff is my main concern. I live on Melville Street at Matilda and from Brock there is only one set of storm sewers on the street - right outside my house and directly across the street at the McMicking'. Incidentally the McMicking one remains blocked - has been for years - in spite of the work done to improve it.

The result of this lack of drains can best be seen pictorially, and so I enclose some photographs ...

Note that the 13-- are older pictures whereas the 24-- were taken a couple of weeks ago.
