**Cc:** Clark, Brad; Thomas, Cameron; heard.Dundas@cogeco.ca  
**Subject:** 24 Brock St. N. Dundas Development

Mr. Powers:

I wish to express my opposition to the proposed development of 24 Brock St. N.

I have concerns with

The increase in traffic that this development would cause, especially since there are many seniors and young children living in the area

The size of the development

It is not in character with the surrounding neighbourhood

If this is allowed where do we go next?

Joan Sinding
