Subject: request to speak at the General Issues Committee meeting Oct 17

Dear Clerk,
I have recently been informed that Enbridge will be giving a presentation on the Line 9 reversal. I am the Co-Chair of the System Change Not Climate Change working group of the Hamilton Chapter of the Council of Canadians and I would like to speak at this meeting. Please let me know how much time I will be allotted so I can prepare accordingly. Thank-you,

Elysia Petrone
