

Comments on the Provincial Niagara to GTA Transportation Study

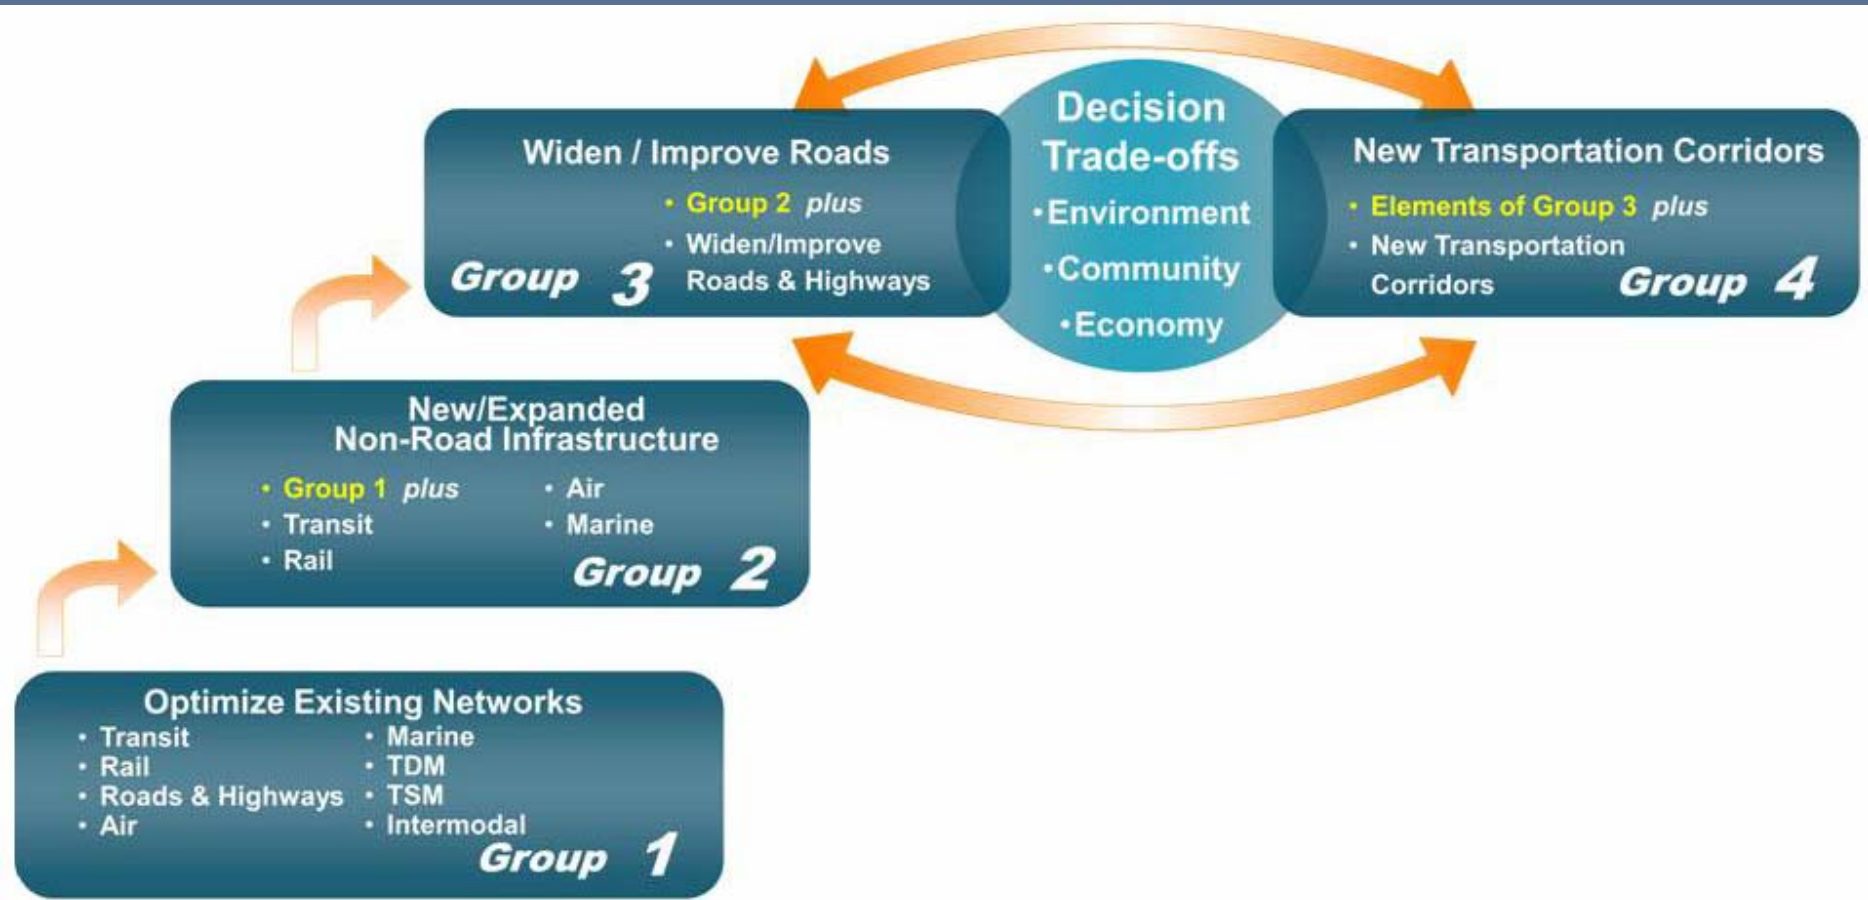

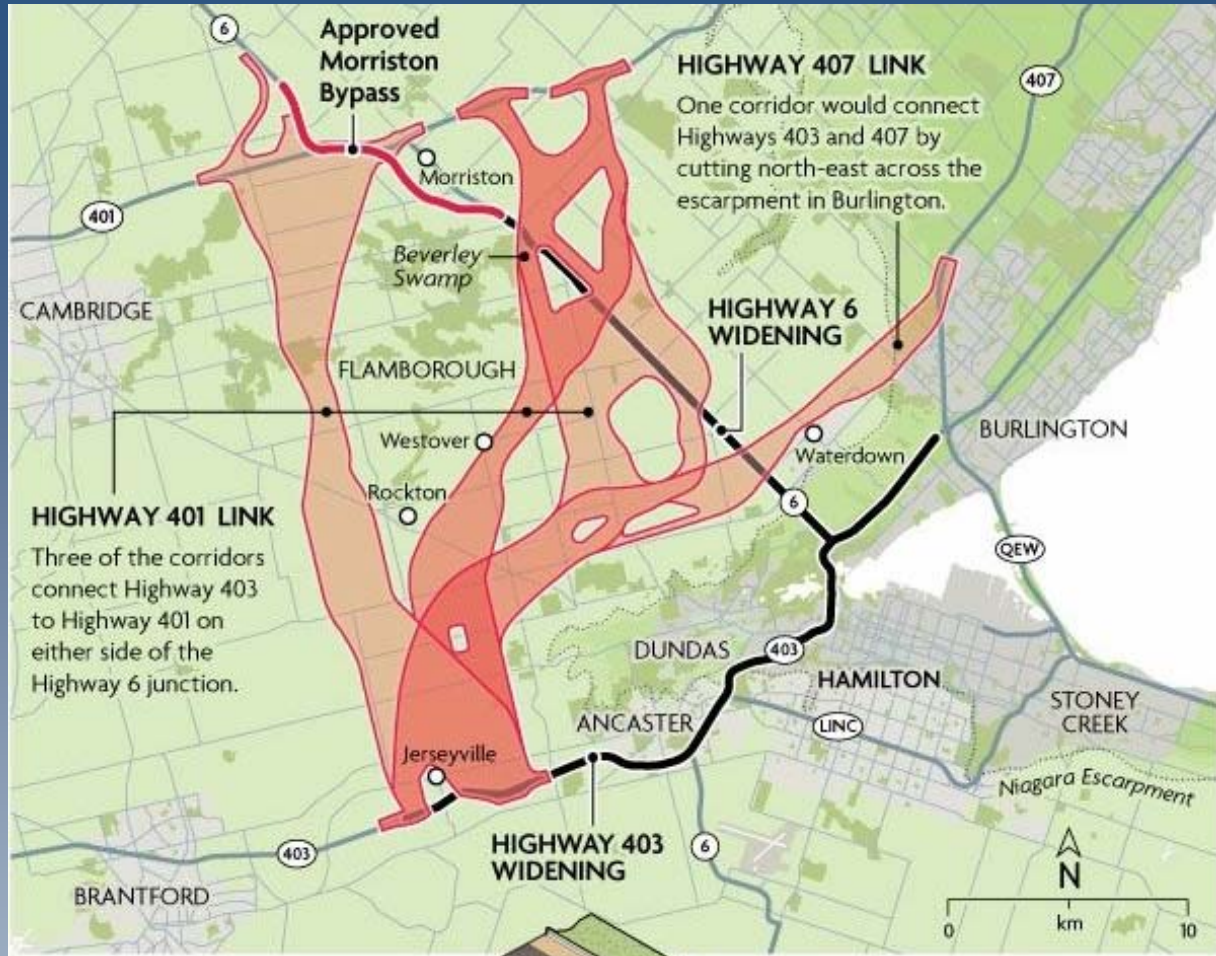

November 21, 2012

Stop the Escarpment Highway Coalition

- 14 community, agricultural and environmental groups with 8,000 members
- Member groups from Niagara & Brant Co. in the west to Vaughan in the East
- Oppose the full highway – NGTA and GTA West

MTO EA and Building Block Approach

EXPANDING THE 403

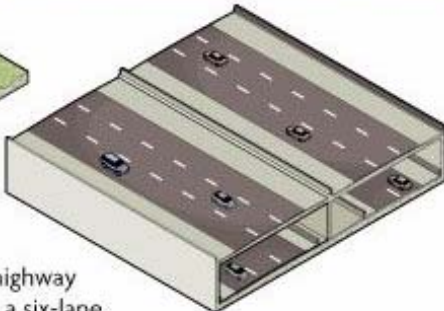

Option 1

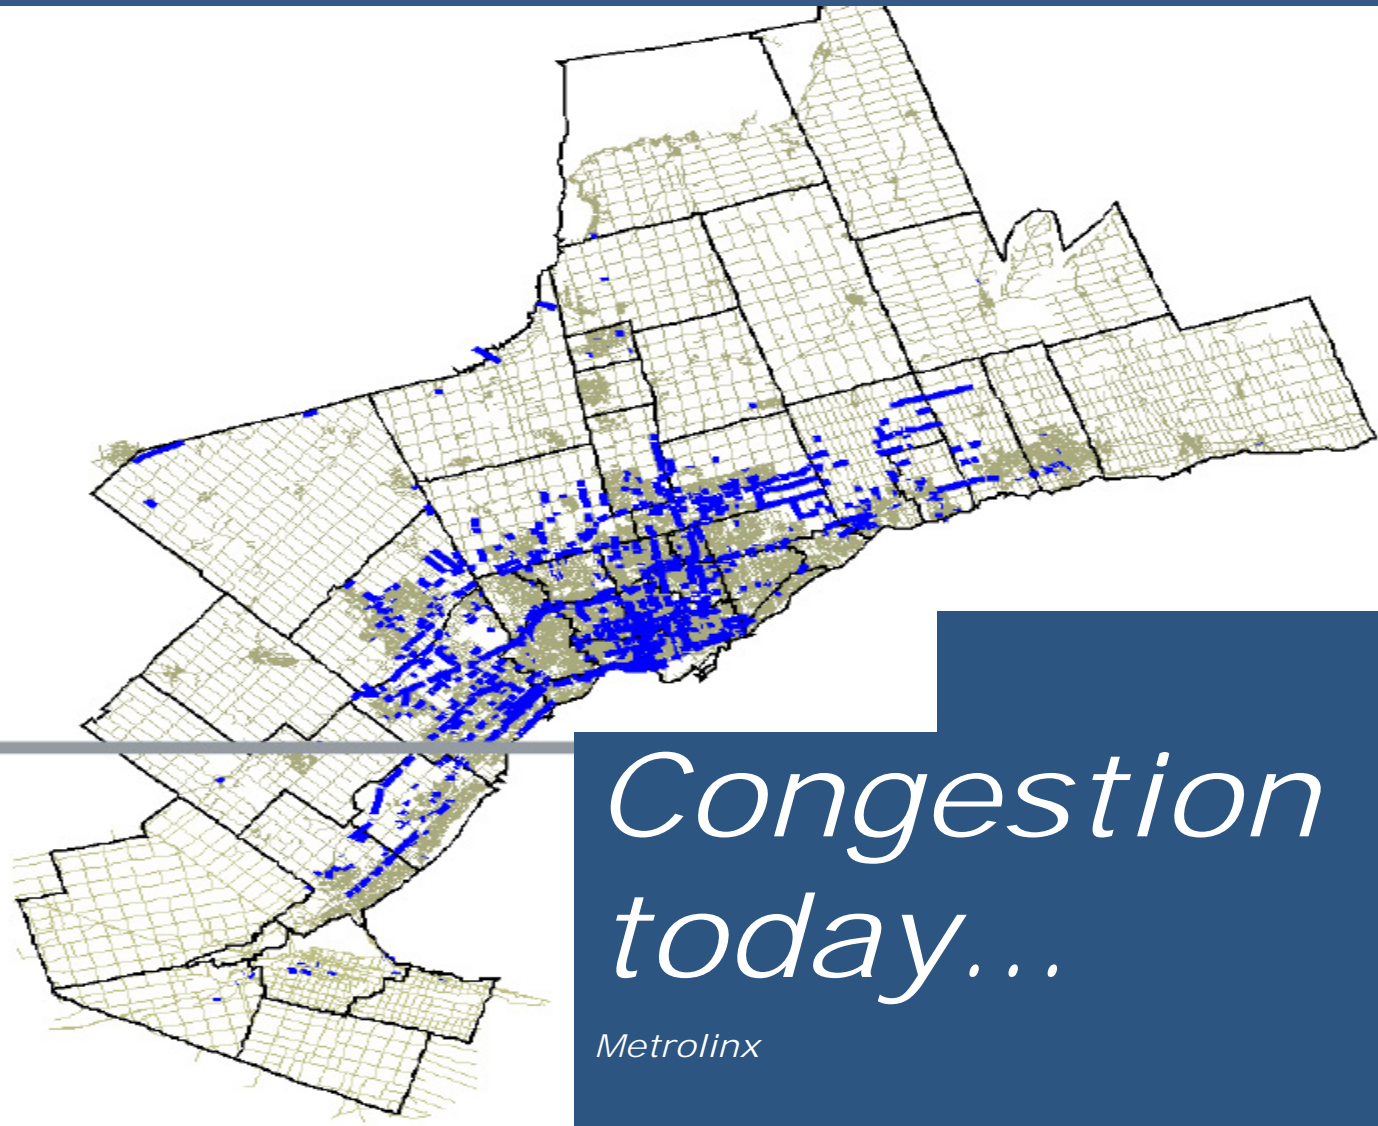

Widen the stretch from the 407 junction to Jerseyville from six lanes to 10, including a truck climbing lane on stretches of the escarpment.

Option 2

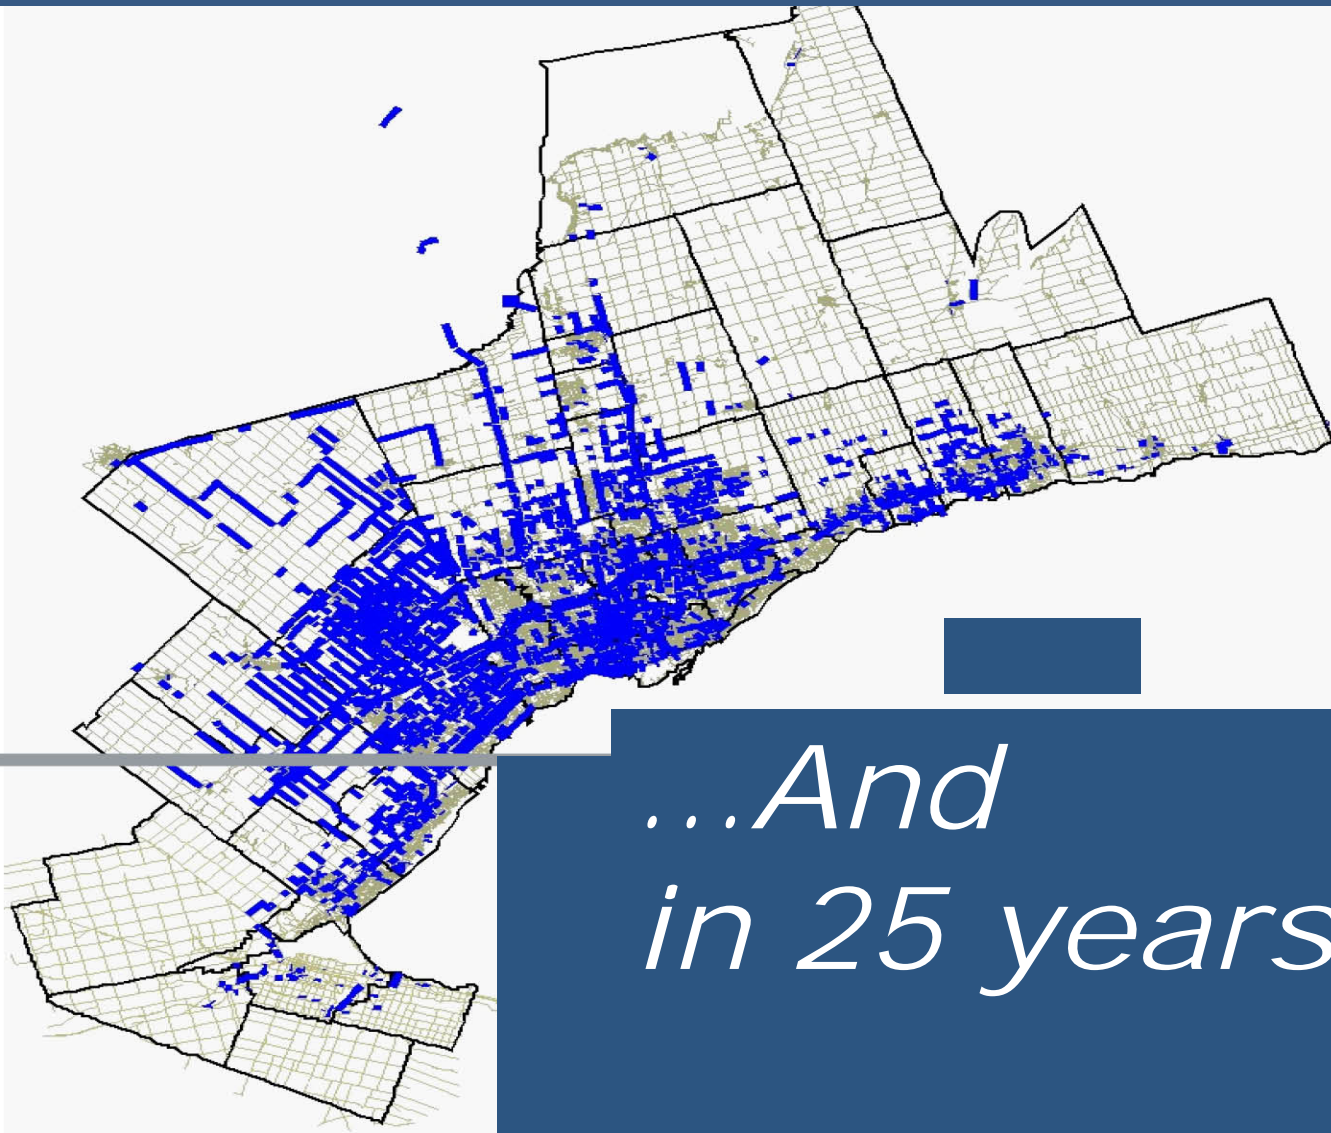

Span the existing highway configuration with a six-lane upper deck through high-traffic zones.

Congestion today...
