City of Hamilton
71 Main St West,
Hamilton, Ontario, L8P 4Y5

The Ancaster Senior Achievement Centre Advisory Board discussed the City of Hamilton's decision to enter into partnership with ASAC and the Federal government through the Community Infrastructure Improvement Fund in support of the Centre's Expansion Project at our Board Meeting January 16, 2013. At the conclusion of the discussion, the Board unanimously passed the following Motion of Appreciation:

"Moved by Steve Potter and seconded by Helmi Kaufmann that the Advisory Board formally thank the City of Hamilton for their support in the development and funding of the Ancaster Senior Achievement Centre Expansion Project. The City's generous financial support and on going assistance in planning and managing the project has not only made the expansion possible, but clearly demonstrated to our Membership and the various communities with whom we engage, the value of partnerships with the City and City staff. We are indeed grateful to the City for their support and appreciative of the guidance and assistance we have received from Councilor Ferguson and your City Staff. Each and every staff member we have met through the Expansion Project has demonstrated an abundance of professionalism.

CARRIED"

Clearly, the City team led by Jack Brown, and including Chris Hersteck, Rom D'Angello, Marnie Cluckie, Laurie Nelson, Shari Farrell, and an unknown number or other staff from various City Departments has assisted greatly the Centre through the initial development process and assistance. The City team invariably matches commitments with results and promises with performance.

Sincerely,

Al Gordon,
ASAC Advisory Board, Chair
