**Re: Adult Group Home Facilities in the City of Hamilton**

Whereas the City of Hamilton licenses and funds Residential Care Facilities that provide housing with supports to frail seniors, and adults with mental health and intellectual disabilities; and,

Whereas the Province of Ontario may also license and fund group homes that serve adults with similar circumstances;

Therefore, be it resolved:

- (a) That staff from Housing Services Division be directed to report back with information on group homes in Hamilton serving adults including:
  - (i) the number of homes, locations, eligibility criteria and funding sources;
  - (ii) the possible partnerships between the Residential Care Facility program and Provincially administered programs to improve the accessibility of services for Hamilton residents.
