Subject: Planning Committee Agenda for December 3, 2013 - Agenda Item 6.5

To Whom it May Concern,

This email is in regards to Planning Committee Agenda item 6.5 to be held December 3, 2013. Specifically, the Application for an Amendment to Glanbrook Zoning By-law No. 464 to Permit a Place of Worship for Lands Located at 3075 Tisdale Road, Glanbrook (PED13210) (Ward 11).

My family and I have been worshipping at the Trinity Canadian Reformed Church of Glanbrook since we moved into the area over 5 years ago. We were worshipping in rented buildings in Binbrook until our congregation outgrew them. Currently, we are driving out to Caledonia to have our services in the gymnasium of an old school building. We would love to come back a little bit closer to home again and are urgently praying for approval of our application that we might have a church build locally again. We urge you to please consider our application and the needs of our congregation so that we may have a church building located at 3075 Tisdale Road that can serve the needs of the local rural population - including our family.

Thank you for consideration in this matter.
