Subject: Agenda Item 6.4 Application for an Amendment to Glanbrook Zoning By-law No. 464 to Permit a Place of Worship for Lands Located at 3075 Tisdale Road, Glanbrook(PED13210)(Ward 11)

Dear clerk and council members,

I have been member of Trinity Canadian Reformed Church of Glanbrook since May 2013, and have attended the church since its institution in 2001. In the time since then our congregation has rented various church buildings, which we outgrew, and are now currently worshipping in an older school building. The school has served us well as a temporary measure but it is ageing and also not central to our membership base. We are excited about the prospect of building a new church building on Tisdale Road as it is central to our congregation and will provide an opportunity for our congregation to be a vibrant participant within the community that we live in. We ask for your favourable consideration of this application, so that our congregation may proceed with a proper church building in this great community.

*Thank you for all your work as you manage the affairs of the City of Hamilton and the Lord's blessing in 2014.
